

Line Fresh

Green Liquid Laundry Detergent

Description

Line Fresh is a highly concentrated, EPA Safer Choice liquid laundry detergent formulated to be effective on a wide range of laundry soils.

Directions for Use

Line Fresh can be used in both residential and commercial type laundry machines, both high efficiency and non-high efficiency.

Residential Style Washing Machines

Pump product into measuring cup or directly into washing machine using ounce-o-matic pump.

Commercial Style Washing Machines

When used in commercial style laundry machines, this product is designed to be dispensed with an automatic dispensing system. Your sanitation specialist will adjust accordingly for best results.

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Safety Data Sheet (SDS). The label and SDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.
