

Grime Buster

Heavy Duty Concentrated Degreaser

Floor Care

Description

Grime Buster is a highly concentrated cleaner/degreaser designed to penetrate heavy grease and carbon deposits with minimal effort.

Directions for Use

FLOOR CLEANING

For general use, add 1-3 ounces per gallon of water.

1. Fill mop bucket with hot water.
2. Add Grime Buster directly to mop bucket using metered dispenser or oz.-o-matic pump.
3. Spread the solution on the floor with a clean mop or floor machine.
4. Allow solution to soak on surface for up to 5 minutes.
5. Rinse, squeegee, or mop off excess solution and soiled water.
6. Allow to air dry.

DEGREASING

To use as a spray degreaser, dilute 4 ounces per gallon using metered dispenser or by pumping 1 ounce using an ounce-o-matic pump into a spray bottle full of water. Simply spray on, agitate, and wipe off. For extra heavy cleaning tasks, dilutions can be increased to as much as a 50% dilution ratio.

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Features & Benefits

- Highly concentrated
- Works in all types of water, regardless of hardness
- Not for use on floors with floor finish
- Cuts through toughest kitchen grease

Specifications

Appearance:	Blue Liquid
Odor:	Butyl Odor
pH:	13
Biodegradable:	Yes
Detergency:	Excellent

Dilution
