

# Blast Off

## Oven and grill Cleaner

# Industrial Cleaner

### Description

An effective cleaner for greasy food soils and baked on deposits. Removes grease and carbon deposits from grills, ovens, fryers, and hoods. Leaves stainless steel shining.

### Directions for Use

1. Soak, wipe, brush, or spray on warm surface.
2. Allow 10 minutes to penetrate baked on deposits and grease. If surface dries, re-apply before wiping off.
3. Scrub and wipe off with scouring pad, sponge, or towel.
4. Rinse with potable water.

- For heavily encrusted areas, repeat using a steel wool pad.
- Can be used on warm or cold surfaces.
- Do not spray on hot surface as it may splatter.

DO NOT USE ON ALUMINUM

Rubber gloves and safety goggles are recommended when using this product. Avoid inhalation of vapors.

### Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Safety Data Sheet (SDS). The label and SDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

### Features & Benefits
