

Spray Buff

Cleans and Polishes in One Step

Description

A high speed spray buff specifically designed to use with high speed buffing equipment. This product reduces labor costs while cleaning and polishing in one step, and may be used on all types of finished resilient floors.

Features & Benefits

- Ready to use
- Cleans and polishes in one step
- Safe on floor finish
- Reduces labor cost

Directions for Use

1. Using trigger spray bottle, apply a light mist to a small area, directly in the path of the floor machine
2. Immediately buff to a high gloss.
3. If floor is heavily soiled it may need to be damp mopped and then let dry before using.

*A heavier application may be used on black heel marks, or exceptionally scuffed areas.
