

Zip Dry

Rinse Aid For Commercial Dishmachines

Food Service

Description

Highly concentrated liquid rinse additive for use in high temperature and low temperature commercial dish machines.

Zip Dry reduces surface tension to:

- Improve drying time to aid in sanitation.
- Eliminate water spots and streaking.
- Prevent soil redeposition.

Safe and effective on all machine washable items including glasses, dishes, utensils, and plastic ware.

Directions for Use

Zip Dry is intended to be automatically dispensed from the shipping container using a commercial dish machine dispenser. Concentrations vary due to machine type, water hardness, and ware being washed.

Concentrations should be set up, adjusted, and monitored by a trained service professional to ensure best results.

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Features & Benefits

- Highly concentrated
- Works in hard or soft water
- Used in high and low temp dishmachines
- Eliminates water spots and streaking
- Prevents soil redeposition
- Reduces surface tension for fast dry times

Specifications

Appearance:	Blue Liquid
Odor:	No Fragrance Added, Bland Odor
Specific gravity:	1.03
PH:	6
Biodegradable:	Yes

Dilution

Concentrations should be set up, adjusted, and monitored by a trained service professional to ensure best results.

Available Sizes

- 4X1 Gallon Case / Item # 0312-1
- 5 Gallon Pail / Item #0312-5
