

Break Away

Concentrated Floor Stripper

Floor Care

Description

Break Away is a concentrated, non ammonia, floor stripper. Designed especially for removing detergent-resistant, metal cross-link floor finish. Works in hard or soft water, hot or cold. The unique chemical ingredients penetrate, dissolve, and lift the wax to the surface to be picked up easily.

Features & Benefits

- Highly concentrated
- Ammonia free
- Removes floor finish with minimal effort
- Low foam
- Works in all types of water, regardless of hardness

Directions for Use

Dilutions ratios must be followed for best results.

1. Apply solution and keep surface wet with solution to provide maximum chemical action.
2. Agitate with floor machine, brush, or pad. Re-wet if necessary during scrubbing period.
3. Pick up solution with a vacuum or mop. If surface becomes too dry before picking up, rewet as needed.
4. Rinse with clean, cold water.

Specifications

Appearance:	Red Liquid
Odor:	Characteristic Odor
PH	13-14
Biodegradable:	Yes

Dilution

Wax, Wax-Resin, Polymer.....	4 oz. per gallon
Acrylics, Styrenes, Dual Polymer.....	7 oz. per gallon
Cross Linked Wax or Synthetic.....	8 oz. per gallon
For Extra Heavy Buildup.....	Adjust Up To 1:1

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Available Sizes

- 4X1 Gallon Case / Item # 0160-1
- 5 Gallon Pail / Item # 0160-5
